Air Waves

Radio Station WNTC went on the air this week under the supervision of this year's executive staff. They include: Richard Meyer, station manager; Charles Kurner, assistant station manager; Elaine Luikert, secretary; Robert McKenzie, business chairman; James Carr, program chairman; Vaughn Weidel, personnel manager and Wilson Green, chief engineer. The entire staff have been working hard to get the station in shape for their opening date.

At present there is a request hour on each evening except Friday, so requests are requested.

Starting Monday, Oct. 7, the morning shows will commence at 7 a. m. until 8:30 a. m. The station will operate Monday through Saturday — 640 on the dial is YOUR campus station, WNTC.
